We will not have any indoor practices this season. In the event of inclement weather, an email will be sent to families as soon as coaches are made aware of the decision to cancel a practice/meet.

Please remember to email the head coach if your athlete will not be present for track in-person - coaches do not receive attendance reports from the main office when students are absent during the school day.

Please remind your athlete to check each meet roster in Google Drive on their iPad to see which events they will be competing in for each meet (and to confirm they are attending the meet)

- it is the responsibility of each athlete to communicate their events with their family!
