

Noblesville East 8th Grade Softball Tryout Information

Thank you for your interest in trying out for the Noblesville East Softball team. Tryouts for 8th graders will begin on Monday, March 13th from 4:00-6:00PM. Every morning before school, please drop off your Softball bag in the Concession Stand outside of student services.

In order to try out, you must complete the online forms for “Final Forms” on our Athletic Website and upload a current IHSA physical (dated after April 1, 2022) there. Nobody is allowed to try out, unless these forms have been completed. Please tell your parents to go to our Athletic website and fill out the required online forms.

Safety is a concern so make sure you are properly equipped for either indoor or outdoor practice every day, depending upon the weather. This includes proper footwear and outerwear. Bring Cleats and Gym Shoes! Dress warm in case we can go outside.

Please come ready to compete as this is a tryout. Each player will be evaluated on speed, footwork, arm strength, fielding ability, hitting and bunting, and last but not least, attitude, listening and being coachable.

We look forward to seeing you after school on March 13th.
