PETITION FOR SIX (6) SEMESTERS OF ATTENDANCE

Graduation at the end of Three Years

Graduation after completion of six semesters is permitted by the Indiana Department of Education. A student who is graduated is no longer enrolled and, therefore not subject to th180 day requirement that applies to all students in Grades 1 through 12, Students who plan to graduate after six (6) semesters of study must petition the high school administration at the time that they create a class schedule in their sophomore year. The Department of Education does make provisions for shortened class schedules if a student has an emergency or extraordinary circumstance that warrants a shortened schedule. Shortened class schedules in such instances are subject to administrative approval.
