THE MILLER WAY

The “Millers Are” table represents the cornerstone of our positive behavior interventions and supports systems. The table outlines and clearly defines student expectations for modeling behavior both in and out of the classroom setting. Our Miller Merits program helps reinforce these behavior expectations by rewarding students who demonstrate positive behavior. Student behavior, both positive and negative, will be documented and the data will be evaluated so teachers and administrators can collaborate to determine ways to improve and continue making our school an even better place for our students.

Frequently Asked Questions

This information is provided to help parents and students with answers to our frequently asked questions. These guidelines are used to keep classroom interruptions to a minimum.

Q. WHAT IF MY CHILD BRINGS HIS/HER CELLULAR PHONE TO SCHOOL?

A. **Communication/Electronic Devices:** Devices may, with teacher permission, be used in that teacher's class. Devices may not be used to communicate in any manner during class without the teacher's permission. Use of these devices outside of class is permitted provided that such use does not interfere with school operations or disrupt the learning environment. Please refer to Personal Electronic Device and the Noblesville Schools policy.

Q. WHAT SHOULD I DO IF MY CHILD IS ABSENT?

A. Please call our [24-hour attendance line](#) before 10:00 a.m. on the day of the absence to report your child's absences. When leaving this message, please leave your name and relationship to the student, child's name, grade, and reason for absence. **If no reason is provided, the absence will be characterized as unexcused.**

Q. WHAT SHOULD I DO IF MY CHILD HAS AN APPOINTMENT DURING THE DAY AND I NEED TO PICK UP MY CHILD?

A. On the day of your child's appointment, write a note stating the time you would like to pick up your child from school and the reason. Your child should take this note to the Student Services Office between 8:35 and 8:50 a.m. to secure a pass to leave school. At the designated time, your child should show the pass to the teacher. Your child will be dismissed to meet you in the office. You must come into the building to sign your child out. When your child returns from the appointment, he or she must check back in at the office with a doctor's note, when possible, before returning to class. If your child does not return the same day, he/she should turn in the doctor/dental excuse to the school the following day, or the parent may

request that the note is submitted to the school by the doctor/dental office via fax. **Parents should be prepared to present a photo ID when signing their child out of Student Services.**

Q. WHAT IF MY CHILD FORGETS SOMETHING AND I BRING IT TO SCHOOL?

A. Occasionally, a child will forget an item and need to have it delivered to him/her. If you bring in a forgotten item, you may leave it in the office. Your child should check in the office between classes or at lunch. WE DO NOT CALL STUDENTS DOWN TO THE OFFICE TO PICK UP FORGOTTEN ITEMS. These measures are taken so class interruptions are kept to a minimum.

Q. WHAT IF MY CHILD FORGETS LUNCH MONEY OR DOES NOT HAVE MONEY IN THE CAFETERIA ACCOUNT?

A. When students do not have lunch money, they will be provided with a regular breakfast and/or lunch. The cost of these meals will be added to the student's account. Once an account reaches a negative balance equal to two meal charges (\$4.70) the student will be offered a light breakfast and/or light lunch. These light meals will be offered at no charge to the student.

Q. WHAT SHOULD I DO IF I MUST GET A MESSAGE TO MY CHILD DURING THE SCHOOL DAY?

A. In the event of an emergency, messages will be given to students. However, please make all necessary arrangements about picking up students after school, after detention, after games and practices, etc., before your child comes to school in the morning. ONLY EMERGENCY MESSAGES WILL BE TAKEN.

Q. HOW DO I GET HOMEWORK IF MY CHILD IS ABSENT?

A. Students are granted one day to make up missed work for each day they are absent. It is the responsibility of the student to obtain missed assignments due to absences from school via Canvas and/or emailing teachers and to turn in assignments due during the absence. Arrangements for making up missed tests must be made with the teacher. For absences of more than one day, parents may leave a request for books on the Attendance line. Please have this request before 10:00 AM on the day you plan to pick up the books. Books may be picked up in the front office before 4:15 PM.

Q. WHAT IF MY CHILD NEEDS TO RIDE A BUS OTHER THAN THE ONE TO WHICH HE OR SHE IS ASSIGNED?

A. This practice is not encouraged. Our bus routes are designed to carry a certain number of students. When added individuals or a group decides to go home with another child, our buses can reach or exceed capacity. If an emergency arises and no arrangements can be made other than for your child to ride a bus other than the one he or she is assigned, please write a note stating which bus your child is to ride. Have your child bring the note to Student Services before classes start in the morning. The office will then issue your child a bus pass.

Q. WHAT IF MY CHILD BECOMES SICK AT SCHOOL AND NEEDS TO GO HOME?

A. Students are sent to the Nurse's Office when they become ill in class. The nurse will notify parents when it is necessary for a child to go home. If your child calls you to report an illness, please direct the student to go to the nurse's office. The nurse will then contact the guardian directly. It is very important that the school has current phone numbers to reach parents. Please contact the office if updates are necessary.

Q. WHAT IF I THINK MY CHILD SHOULD NOT PARTICIPATE IN PHYSICAL EDUCATION DUE TO ILLNESS?

A. A child may be excused from physical education for one day with a written parent request. Additional excused days require a doctor's note.

Q. HOW DO I SEND MEDICINE TO SCHOOL?

A. To safeguard the transportation of medication to and from school, all prescription and non-prescription medications must be brought into the Nurse's Office by a parent or guardian. Students are not permitted to carry any medications or drugs. ([See Medication for Chronic Disease or Medical Condition.](#)) Any unused medication unclaimed by the parent on the last day of school will be destroyed.

Q. CAN I BRING IN A BIRTHDAY CAKE OR OTHER TREATS FOR MY CHILD AT LUNCH?

A. Homemade food or food from outside vendors is not allowed to be consumed in the cafeteria during the school day.

SECTION I – GENERAL INFORMATION

ANNOUNCEMENTS

Announcements related to school and student affairs will be given daily. It is important that students listen carefully. Students who wish to have activities announced must have the information written and

approved by the sponsor. Special announcements will be kept to a minimum so as not to disturb regular class procedure.

BOOK BAGS AND BACKPACKS

The use of book bags and backpacks to carry books and supplies to and from school is certainly acceptable and, in some cases, strongly encouraged to facilitate organization. However, to help ensure safety in our hallways and classrooms, book bags and backpacks must remain in the student's locker during the school day (not carried throughout the building and/or to and from classrooms).

eLEARNING DAYS

******As of July 2020, we do not plan to have early release Wednesdays or scheduled eLearning days until further notice******

Middle School students will participate in four eLearning days during the school year. They are scheduled on August 26, November 6, February 3, and March 10. Please note that middle school eLearning days are full days this school year. Students are not required to come to school these days. EMERGENCY SCHOOL CLOSINGS

Noblesville Schools makes every effort to notify school families in the event of school closings or a two-hour delay to the start of the school day. If school is canceled or delayed, we will utilize School Messenger, our phone and email notification system, and our school website, <http://www.noblesvilleschools.org> to notify families. In addition, information will be posted on our Facebook page (Noblesville Schools), and sent out through Twitter (NobSchools). Local television stations also will be notified.

NOTIFICATION OF RIGHTS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are

1. The right to inspect and review the student's education records within 45 days after Noblesville Schools receives a request for access.

Parents or eligible students who wish to inspect and review education records should write the school principal, clearly identifying the records they want to inspect and review. Noblesville Schools will contact the parent or eligible student when the education records are ready for inspection and review, pursuant to FERPA and special education regulations.

Parents or eligible students who wish to ask Noblesville Schools to amend a record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

FIRE, TORNADO AND SAFETY DRILLS

The school complies with all fire safety laws and will conduct drills in accordance with state law.

Tornado drills will be conducted during the tornado season using the procedures prescribed by the state. Safety drills will also be conducted. Teachers will provide specific instruction on the appropriate procedure to follow in situations where students must be secured in their building rather than evacuated. These situations can include a terrorist threat, a person in possession of a deadly weapon on school property, or other acts of violence.

NUTRITION & FOOD SERVICES

Noblesville Schools Nutrition & Food Services Department knows that good nutrition and learning go hand in hand. It is our goal to properly prepare and serve nutritious, appealing meals that meet federal dietary guidelines. Our food service staff is committed to the student's total educational experience by meeting their nutritional needs and reinforcing healthy eating habits in a sanitary and friendly environment. To assure we are providing the best meals possible, all our menus are created and analyzed by a Registered Dietitian. All schools offer breakfast every day in their cafeteria beginning approximately 15 minutes before the first bell. Breakfast will also be available when there is a 2 hour delay. Studies show that students who eat breakfast have improved classroom behavior, attendance and test scores. Students learn and perform best when they have eaten this important meal. Visit our website at www.millerscafe.org for more information regarding menus, lunch prices, nutritional information, meal assistance and much more.

Students have the option of bringing their own lunch from home and purchasing from a variety of beverages in the school cafeteria. Students are not allowed to bring carbonated beverages to consume during lunch. Also, meals from fast food restaurants may not be brought into the cafeteria. Students are expected to practice good table manners and be responsible for the cleanliness of their place at the table.

Due to space limitations, we are not able to accommodate visitors in the cafeteria during lunch. However, we will happily find a separate location for parents to eat with their child if they wish. Parents may also take their student out for lunch by signing them out in the office. Students should return to school in time for class or will be marked tardy.

Food, candy and other edible items are not permitted outside the cafeteria.

FORMS OF PAYMENT

All school cafeterias utilize a pre-pay system. Deposits can be made with cash or check at the school or by visiting [K12PaymentCenter.com](https://www.k12paymentcenter.com). Creating a [K12PaymentCenter.com](https://www.k12paymentcenter.com) account is **FREE OF CHARGE** and provides options such as viewing lunch account balances, lunch activity, and setting up customized low balance reminders. If you choose to make deposits on [K12PaymentCenter.com](https://www.k12paymentcenter.com) there is a nominal fee charged per transaction.

FREE OR REDUCED PRICE MEALS

Free and reduced price meals are available to families who qualify. A new application must be completed every school year after July 1, unless parents are otherwise notified that their student has been pre-approved through Direct Certification. Only one (1) Free or Reduced Meal Application is required per family.

If a family applies, parents may choose from two (2) options:

1. Complete an application online for quick processing. Please visit:
<https://www.schoolunchapp.com>
2. Pick up a paper application at any school or at the Educational Services Center, 18025 River Road, Noblesville, IN 46062.

Completed paper applications can be returned to any school office, school cafeteria, or mailed to the Education Services Center.

Parents will be notified by mail within 10 working days of students' status. Until this notification is received, students must bring a lunch or money to pay for their lunch.

Students who attended Noblesville Schools and participated in the free or reduced meal program will retain their free or reduced status from the prior year for the first 30 days of the school year or until a new application is approved.

LUNCH CHARGE POLICY

Noblesville Schools Food Service Department wants to ensure that every student has access to meals daily. Per USDA guidelines, Noblesville Schools is not allowed to incur debt from unpaid meal charges. We recognize that there can be extenuating circumstances that may cause a student to not have money in his/her lunch account, so policy has been put into place to ensure students receive a courtesy light lunch in these circumstances. In the event that a student does not have money to pay for a meal, the following limits are set as to how much a student can charge:

When a student in grades 6-8 does not have funds for their meals, they will be provided with a regular breakfast and/or lunch. The cost of these meals will be added to the student's account. Once an account reaches a negative balance equal to two meal charges (\$4.70) the student will be offered a light breakfast consisting of fruit and milk and a light lunch consisting of a ham sandwich, fruit and milk. These light meals will be offered at no charge to the student. **Students will not be allowed to charge a-la-carte items.**

It is very important that students, parents and staff work together to ensure that students have money on account to purchase meals. Students will be verbally reminded by the cashier to bring money in for their lunch account. When a student's account goes in the negative, the cafeteria manager will make a courtesy phone call home to notify the parent/guardian that payment is due into their student's lunch account. Emails will also go out on a regular basis when a student's account is in the negative. Parents also have the option to sign up at www.paypams.com to receive low balance alerts. **This service is provided at no cost to the parent.**

Account balances remaining at the end of the school year will carry over and be available for use the following year. If your student withdraws from Noblesville Schools, please fill out the Refund/Transfer Form to request a refund or transfer of remaining lunch funds.

COUNSELING AND SOCIAL WORK SERVICES

Noblesville Schools proudly offers school counseling and school social work services to students. School counselors and school social workers support students by providing support for positive growth and development of the whole child. The American School Counselor Association (ASCA) National Model and Indiana Department of Education Social Emotional Learning Competencies are in place which encourages many methods of interacting with students. These interactions include classroom lessons, small groups, and/or individual meetings to support the academic, social, and emotional needs of all students. Students are referred to the counselor or social worker through self-referral, teacher referral, parent referral, or administrative referral. Counselors and social workers are also available for supporting the needs of families, staff, the school, and the community.

School counselors and school social workers are bound by the laws of confidentiality. This means that students have a right to privacy with the information they share as defined by law, ethics, and school rules. School counselors and school social workers are obligated to breach confidentiality if a student poses an imminent danger to self or others or if information regarding child abuse or neglect is disclosed.

The Counseling Department consists of one counselor per grade level as well as one social worker; each counselor remains with their students from 6th grade through 8th grade, creating a sense of continuity throughout their middle school career. The nationally recommended developmental counseling structure is in place, which encourages many methods of interaction with the students, including counseling curriculum within the classrooms, small group and individual meetings for social, emotional, academic support, as well as systemic support for staff and families.

Both students and parents should feel free to consult with counselors about classroom concerns, plans and decisions, or personal problems. Students may sign up to see a counselor or be referred to a counselor by parents, teachers, other students, or administrators. As advocates for their students, counselors assume no disciplinary role.

INDOOR AIR QUALITY COORDINATOR

The Indoor Air Quality (IAQ) Coordinator is a person designated by the school to serve as a lead contact person for issues relating to indoor air quality for students, staff, parents, visitors and the state department. The Corporation is responsible for maintaining good indoor air quality. In order to maintain this, the state inspector investigates any condition contributing or that could contribute to poor indoor air quality, including, but not limited to, carbon dioxide levels, humidity, evidence of mold or water damage, and excess dust. Noblesville Schools has designated Mrs. Robin Phelps, Chief Operating Officer as the Indoor Air Quality Coordinator. She can be reached at (317)773-3171; 18025 River Road, Noblesville, IN 46062.

LOCKERS

Lockers are provided to students on a yearly basis, with the understanding that they will be used for storage of personal property and other items related to the educational program or activities of the school corporation. Students are not to store books and/or personal possessions in other students'

lockers. Students may only keep food items in their lockers inside secure lunch boxes/bags. Students are responsible for and will be held accountable for items contained in their locker. LOCKERS SHOULD BE LOCKED AND THE COMBINATION KEPT SECRET. [Searches](#)

Lockers are assigned to students by the administration. Students who experience difficulty with lockers and need repairs should report the information to a teacher. The Wellness teachers assign PE lockers. Students are responsible for keeping PE equipment locked at all times. Lost PE locks are the responsibility of the student.

LOST AND FOUND

Students who find lost articles are asked to bring them to Student Services. Students missing items should check with Student Services. Students missing books may also check the media center and individual classrooms.

MULTI-TIERED SYSTEM OF SUPPORT (MTSS)

Noblesville Schools uses a tiered approach to academics and behavior called Multi-Tiered System of Supports (Article 7, IDEA), to ensure all students achieve their highest potential. This structure provides the necessary instruction and support for all students to achieve their academic, social, emotional and behavior goals. Noblesville Schools staff utilizes a variety of data in order to identify and assist students needing additional instruction and/or supports. These data include, but are not limited to, grades, NWEA assessments, attendance, standardized scores and discipline reports.

Noblesville Schools believes that children do well when they can. If a student is having difficulty academically, socially, or behaviorally, school personnel work to assist the student with skills that will help him/her improve the skills not yet mastered.

As supplemental supports become more intense, results are used to make decisions about the need for further research-based instruction and possible educational evaluation for special education services. Noblesville Schools places an emphasis on early identification through universal screenings, supplemental supports and self-advocacy supports for student learning.

NEW STUDENT ENROLLMENT

The counseling department administers enrollment procedures. Students who intend to enroll in Noblesville Schools must be in good standing at the school from which they are transferring.

NON-DISCRIMINATION AND ANTI-HARASSMENT POLICY

It is the objective of the Board of School Trustees of Noblesville Schools to provide members of its school community with an atmosphere conducive to the achievement of their objectives in work and in learning in the activities within its jurisdiction. Harassment of any member of the school community is inconsistent with the objective and will be prevented where possible and sanctioned as necessary to prevent its recurrence. Refer to Policy 5517 for more details. The Compliance Coordinator is Laura Denis, Director of Student Services.

Devices may, with teacher permission, be used in that teacher's class. Devices may not be used to communicate in any manner during class without the teacher's permission. Use of these devices outside of class is permitted provided that such use does not interfere with school operations or disrupt the learning environment.

- Each student is responsible for his/her own device: set up, maintenance, and charging. Teachers will not store student devices at any time, nor will any District employee diagnose, repair, or work on a student's personal device.
- Electronic devices are to be used for educational purposes at the discretion of a teacher.
- Building administrators and teachers have the right to prohibit use of devices at certain times or during designated activities (i.e. campus presentation, theatrical performance, or guest speaker) that occur during the school day.

The search, however, will be limited in scope based upon the limitations of the Fourth Amendment and any other applicable legal restriction.

Using electronic devices, such as cell phones or cameras, to take pictures and record audio or video without permission will result in additional disciplinary action.

PEST CONTROL AND USE OF PESTICIDES

Noblesville Schools is committed to providing a safe environment for students. It seeks to prevent children from being exposed to pests and pesticides. While pesticides protect children from pests that may be found in the school and its surrounding grounds, under some circumstances they may pose a hazard to children. Therefore, pest control practices may involve a variety of chemical and non chemical methods that are designed to control pests effectively while minimizing potential pesticide exposure.

The Corporation will

- A. annually inform parents and staff members of the Corporation's pest control policy at the time of student registration as a provision in the staff and/or student handbook;
- B. provide the name and phone number of the person to contact for information regarding pest control;
- C. establish a registry of parents and staff members who want to receive advance notice of all pesticide use and provide such notice at the time of enrollment;
- D. provide notice of planned pesticide applications to parents and employees who have requested advance notice;
- E. maintain written record for ninety days of any pesticide applications.

The Corporation will provide notice to those in the registry at least two school days prior to the date and time the pesticide application is to occur unless an emergency is declared. The notice will include the date and time of the pesticide application, the general area where the pesticide is to be applied, the principal target pest and the telephone number to contact for more information. In case of emergency, the school shall give written notice as soon as possible. The Corporation may provide for training of school employees to become certified pest control applicators. Financial support for such training may be provided by the Corporation subject to budgetary constraints of the Corporation.

POLICY ON SEXUAL HARASSMENT

It is the policy of Noblesville Schools to maintain a learning environment that is free from sexual harassment. Therefore, it shall be a violation for any employee or student of Noblesville Schools to harass another employee or student through conduct or communications of a sexual nature as defined in School Board Policies 3362A, 4262A, and 5517.

Sexual harassment shall consist of: unwelcome sexual advances, requests for sexual favors, and/or other inappropriate verbal, nonverbal, or physical conduct of a sexual nature when made by an employee to a student, a student to an employee, or by a student to another student.

A substantiated charge against a student in the Corporation shall subject that student to disciplinary action including suspension and/or expulsion consistent with the Student Conduct Code. Any person who knowingly files false charges against an employee or a student in an attempt to demean, harass, abuse, or embarrass that individual shall be subject to disciplinary action consistent with school policy and the Student Conduct code.

Complete copies of the Corporation policy, including complaint forms, are available in the principal's office. Reports must be presented as soon as possible to the building principal where the alleged conduct took place. In determining whether alleged conduct constitutes sexual harassment, the totality of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred will be investigated.

SCHOOL DAY

Classes begin at 9:00 am and end at 3:50 pm Monday, Tuesday, Thursday, and Friday. Students arriving in the building before 8:25 am are to report directly to the cafeteria. All students, unless under the supervision of a staff member, should leave the building by 3:55 pm.

SCHOOL SAFETY

In Noblesville Schools, student and staff safety is an everyday concern. Each school has reviewed school safety and emergency plans, and our crisis intervention teams can provide parents with advice from experts to assist in talking with children about national events and public safety concerns. Parent information on dealing with children's concerns is available at each school office and through the counselor. If a local threat is perceived, the school district will work with state and local emergency response officials, per school emergency plans, to make sure students and staff are secure and safe.

SECLUSION/RESTRAINT POLICY

Noblesville Schools believes that maintaining an orderly and safe environment is conducive to a healthy learning environment, and is an appropriate expectation of all students and employees within the school corporation. The Board recognizes that there are times when it becomes necessary for employees to use reasonable physical restraint and/or isolated time out/seclusion to protect a student from causing harm to him/herself or to others. In accordance with the law, Noblesville Schools has adopted a Seclusion/Restraint Plan to establish guidelines for the use of seclusion/restraint. The Noblesville Schools Seclusion/Restraint Plan can be found by clicking on the following link:

SPECIAL EDUCATION

As supplemental supports become more intense, results are used to make decisions about the need for further research-based instruction and possible educational evaluation for special education services. Noblesville Schools places an emphasis on early identification through universal screenings, supplemental supports and self-advocacy supports for student learning.

Parents who believe their child may have a disability and may be in need of special education services should contact the school and request more information on special education.

STUDENT CHANGE OF ENROLLMENT INFORMATION

Whenever there is a change to a student's enrollment information, the parent or guardian must contact the school as soon as possible. Changes requiring the parent /guardian to contact the school include mailing address, phone numbers, email addresses and/or emergency contacts.

STUDENT VALUABLES

Students are encouraged not to bring valuable items to school. The School cannot be responsible for their safekeeping and will not be liable for loss or damage to personal valuables.

TELEPHONES, MESSAGES, AND STUDENT DELIVERIES

Students may use a classroom or office telephone at the teacher's or administrative staff's discretion. Students are not to use a telephone during class time except in emergencies. Messages will be delivered to students only in cases of emergencies or at the end of the school day. The school **will not** accept deliveries from floral or gift shops to be delivered to students. Also, from time to time, various companies send mail to students at our school address. This mail is typically from direct marketing solicitors who have obtained student names from the honor roll and athletic team lists that we publish in local newspapers. Mail such as this is discarded as it arrives.

TRANSFERRING SCHOOLS

Prior to transferring schools, the parent or guardian must contact the school registrar. Parents are expected to complete and sign the official transfer form before student records are sent to the forwarding school. The transferring student will take the form to all assigned teachers on his/her last day of attendance. The student will turn in all textbooks, library books, iPad, charging cord and brick, and will clean out his/her locker. All financial and rental obligations must be met at this time.

VISITORS and VOLUNTEERS

Parents/guardians are encouraged to be active participants in their child's school community. All visitors, including parents/guardians and community members, must report to the office and provide a photo ID both prior to entering the school building and upon entering the front office. School administration reserves the right to deny access based on certain circumstances such as lockdowns and other safety concerns. In order to ensure student safety, using the guidelines below, Noblesville Schools requires background checks for visitors and volunteers. Background checks need to be submitted at least two weeks prior to an event.

- No extended background check is required for guests who are visiting the office area and/or observing at a special event. Examples of special events: specific schoolwide programs or celebrations (ex: Veteran's Day programs). For large events held during the school day, pre-registration to attend the event is required (a limited background check will be done for these events). The links to pre-register will be found on the school's website, as well as be sent out prior to an event occurring. Guests need to check in at the front office and provide a state-issued identification card at the time of the event.
- For all other visitors/volunteers that will have possible interaction with children in our schools, a national background check will be required. Examples: field trips, classroom volunteers, classroom parties, attending lunch with your child. All individuals are monitored under our *Arrest Alert* system. If an individual is arrested during the time frame of their application, the arrest charges will be evaluated and cross-examined with our background check determination list to determine if they are still eligible to visit/volunteer within our schools.

Background checks must be renewed every six years. This is a change from the previously instated 2 year background check; we were able to lengthen this due to the newly added *Arrest Alert* component. The cost of the background check is \$18.95.

Please visit our website for more information on background checks or to submit your application for a background check.

WELLNESS POLICY

Noblesville Schools recognizes that good nutrition and regular physical activity affect the health and well-being of our students. In accordance with the law, Noblesville Schools has adopted a Wellness Policy to establish good health and nutrition habits in our students. The Wellness Policy (8510) can be found by clicking on the following link:

<https://go.boarddocs.com/in/noblesville/Board.nsf/Public?open&id=policies#>

All food and beverage items given to or available for sale at school or on school grounds during the school day must meet USDA's "smart snack" standards. - With signs and symptoms of COVID-19 without alternate explanation or diagnosis, a student must remain home for at least 10 days from the first day symptoms appeared **AND** be fever-free for **24 hours** without fever-reducing medicine and with improvement of respiratory symptoms.
- With signs and symptoms of COVID-19 with alternate diagnosis such as strep throat, influenza, ear infection, seasonal allergies, a student with a fever should be kept home until he/she is fever-free without the use of fever-reducing medication for 24 hours.

Return to School Parent Screening Guidance COVID-19 may require a student to remain at home for a specified number of consecutive days.

COMMUNICABLE DISEASES

If a student is ill, has a communicable disease that is transmissible through normal school contacts, or poses a substantial threat to the health and safety of the school community, the school nurse may send the student home. The nurse will communicate with the student's parent/guardian and describe the nature of the illness. The student may return to school when the following criteria are met:

- The student's return to school meets the guidelines in the current edition of the Indiana State Department of Health Communicable Disease Reference Guide for Schools and, if recommended,
- The student or parent provide a letter from the student's medical provider stating it is safe for the student to be readmitted.

CONFIDENTIALITY

All health information will be treated as confidential, shared only with staff or EMS personnel on a need-to-know basis. Changes in the medical status or medications should be promptly reported to the school nurse throughout the school year. Parent/Guardian with additional concerns are encouraged to meet with the school principal and school nurse to ensure the medical and privacy needs of the student are addressed properly.

EMERGENCY MEDICAL TREATMENT

In case of an accident or serious illness, the school will make every effort to contact the parent/guardian. If the school is unable to reach parent/guardian, the school will notify emergency personnel for treatment and/or transport.

FEVER/ILLNESS

Students may be sent home for illness at the discretion of the school nurse. Reasons to be sent home include, but are not limited to, fever of 100 degrees or above, vomiting and diarrhea. Any student with a fever should be kept home until he/she is fever-free without the use of fever-reducing medication for 24 hours. Students should also have no signs of vomiting or diarrhea for 24 hours prior to returning to school.

HEALTH CLINIC AND PROCEDURES

To ensure students are healthy and safe, exceptions made for emergencies, a student who becomes ill or who needs medical attention during the school day must request a pass from the classroom teacher to see the nurse. Students will not be released from school for health reasons until a parent has been

contacted and permission has been obtained for the student to leave or arrangements made. The student will sign out through the attendance office.

If a student is released from school due to health concerns, the nurse will contact the parent/guardian. It is a violation of the cell phone policy for a student to contact a parent by cell phone instead of reporting to the nurse's office. Further, a student who becomes ill and leaves the campus, without the school's permission and without signing out through the attendance office, will be considered truant.

HEALTH CONDITIONS

Parents/Guardians should plan to provide the school with any medical information including medical diagnoses, medications, unusual illnesses, accidents and other information needed to best serve each child. If a medical condition requires a health plan, the nurse will meet with the parent/guardian to develop a plan of care and to obtain orders from the child's medical provider.

HEAD LICE

Parents have the prime responsibility of assisting in the prevention and management of head lice cases through regular checks of their child's hair and starting immediate treatment when head lice are detected. If at all possible, students should not be excluded from school for having head lice. The management of head lice should not disrupt the educational process of the child. The need to exclude students from school will be determined on a case-by-case basis.

IMMUNIZATIONS

A complete immunization record or exemption must be on file by the first day of school. This requirement can be enforced by a request for expulsion.

Non-FDA approved products will not be given at school. This includes, but is not limited to, herbal supplements and other homeopathic products. Requests to administer research medication during school hours will be evaluated on an individual basis by the district administration in consultation with the partnering hospital's school nursing consultation team, the student's prescribing physician, and the parent/guardian.

To safeguard the transportation of medication to and from school, all prescription and over the counter medication should be brought into the health center by a parent or guardian. Prescription medication must be in a prescription bottle with the most current dosing information and the student's name on the label along with a written order from your medical provider.

School supplied stocked medication: The school board policy allows students, with prior written permission from parents, to receive stocked medication. The school will provide up to four doses for the school year of specified medications if necessary for the child to remain at school. The stocked medication will be available from 10a - 3pm. Please supply to the nurse's health center your student's personal over-the-counter medication-if your child will use more than four doses during the school year.

The parent's authorization and physician's order must be filed with the student's principal annually.

VISION/HEARING SCREENINGS

Indiana Public Law requires annual visual acuity screening of each student enrolled in or transferred to grades kindergarten or first, third, fifth, and eighth. Vision screenings are conducted by the school nurse staff, the Lions Club and local optometrists. The school nurse will notify a parent/guardian if more comprehensive testing is recommended.

ACCESS TO STUDENT GRADES FROM HOME

Parents and guardians have access to student grades and attendance online. They can also set up accounts to automatically email pertinent student information such as grades, attendance, detailed reports showing scores, and school announcements. To gain access to a child's grades, parents may visit this web address: <https://noblesville.powerschool.com/public>.

To create a new parent account, parents must use the Access ID and password provided by the school for each child. Usernames and passwords ARE case sensitive, so capital letters are important. The child's first and last name are entered when prompted on the new account screen.

Parents without an Access ID and password should contact the school office.

HOMEWORK

The successful completion of homework provides essential practice of new skills, reinforces concepts, and promotes student responsibility and a productive work ethic. Students are responsible for completing homework according to the teacher's directions and for meeting set deadlines. Deadlines for long-term projects may be extended at the teacher's discretion based on individual extenuating circumstances.

MAKE-UP WORK

Students are granted one day to make up missed work for each day they are absent. It is the responsibility of the student to obtain missed assignments due to absences from school via Canvas and/or emailing teachers and to turn in assignments due during the absence. Arrangements for making up missed tests must be made with the teacher. For absences of more than one day, parents may leave a request for books on the Attendance line. Please have this request before 10:00 AM on the day you plan to pick up the books. Books may be picked up in the front office before 4:15 PM.

MEDIA CENTER

Students may use the media center during school as well as 15 minutes before school and 30 minutes after school. Students are expected to check in at the circulation desk—upon arrival and sign out when leaving. Students may use the media center during lunch with a pass from the media center supervisor or a lunchroom supervisor. Students should show the cafeteria staff member the pass prior to heading to the media center. Students may visit the media center during Student Learning Time/East Time with permission and a pass from their teacher. (Students at East must use the Google Form to sign up to visit the Media Center during East Time.) Books may be checked out for two weeks and may be renewed unless on hold for another student. Students should use their ID badge with barcode to check out library materials. Students are encouraged to check out eMagazines, eBooks and audiobooks using the Flipster app, Destiny Discover app, and Axis 360 app on the iPad. Materials checked out of the library media center are to be returned by the due date by placing them in the book return slot at the circulation desk or the book drop in the hallway between the office and cafeteria at West Middle School and in the Hanover hallway at East Middle School. Overdue notices will be sent electronically to the student and parent/guardian. Students who have overdue items should not expect to check out additional items until the overdue materials are resolved. Students who lose or damage materials will be expected to pay the replacement cost. Students are encouraged to use the Makerspace area in the library to create or collaborate with peers. The podcasting studios and green screens are also available for student use.

FIELD TRIPS

Each student must have a parent signed written permission slip and an emergency medical authorization form on file before being allowed to go on any field trip. Students are responsible for completing assignments missed because of a field trip.

SECTION IV – STUDENT ACTIVITIES

STUDENT ACTIVITIES

There is a strong indication that students who involve themselves in school-related activities outside the regular classroom enjoy school more, have better attendance records, and generally perform better in the classroom. During the year, students are offered the opportunity to participate in the Academic Extracurricular Program and various clubs. A complete list of activities is available through the office because changes are made yearly. All students are encouraged to participate in extracurricular activities.

ATHLETICS

Noblesville Schools is proud of its athletic program, which offers many different opportunities for student involvement. Information about participation in each sport is made available to students at appropriate times during the school year. All students must have passed a physical examination and have other signed documents on file in the athletic office before they will be allowed to participate.

Whenever applicable, Noblesville Middle Schools will follow IHSAA rules. Final decisions will be made by athletic director or administrators.

ATHLETIC ELIGIBILITY

Students in grades seven and eight are eligible to try out in all athletic offerings. Sixth grade students are eligible to tryout for limited athletic offerings. Students participating in athletics will be held to a higher standard concerning their academic performance, citizenship, and leadership. Students must also understand that their first responsibility is to their academics.

To participate in athletics at Noblesville East/West Middle School, a student must have passed 70% of the classes that assign a letter grade. When a student enters middle school as a 6th grade student, their academic eligibility begins.

Noblesville East/West Middle School has established the following dates for the certification of athletic eligibility for the 2020-21 School Year. The following dates are subject to change.

Monday, August 24, 2020

Monday, September 14, 2020

Monday, October 5, 2020

Monday, November 9, 2020

Monday, November 30, 2020

Wednesday, January 6, 2021 (Semester grade determines eligibility).

Monday, January 25, 2021

Monday, February 15, 2021

Monday, March 8, 2021

Monday, April 12, 2021

Monday, May 3, 2021

* Each student is eligible at the start of the school year. If the student isn't passing 70% of their classes at any of the above certification dates, they will be able to remain on the team, but will not be able to participate until the next certification date.

** Eligibility for the January 6, 2021 certification date will be determined by the semester grade.

*** Students moving to Noblesville East/West Middle School must meet the academic requirements noted above before they can participate as a Noblesville Athlete.

In order to participate in a practice or game, a student must be at school at least the second half of the day, which is generally considered to be noon. Exceptions to this requirement would include absences due to an appointment and excused with a doctor's note.

Disciplinary action taken by the coach or the school may also determine whether a student is eligible to participate in athletic practices and/or interscholastic competition. All athletes and their parents or guardians are required to have on file a signed athletic contract prior to participation in any sport.

If an athlete is suspended, he/she will not be allowed to practice or participate in an athletic contest after school on that particular day.

If an athlete violates the Student Code of Conduct, they may be suspended from competition for a portion or all of the athletic season at the discretion of the coach, athletic director, and/or administration.

On the day of a game or late practice, students are to go home after school. Students are not allowed to visit nearby commercial establishments while waiting on game or practice time.

The following must be on file in the athletic office before a student may try out:

1. Physical Exam (completed after April 1)
2. Family History Page
3. ISA form (Information Signature Authorization page) containing signatures for the insurance form, athletic contract, travel form, Riverview Health HIPAA form, and photography waiver.
4. Concussion Acknowledgement and Signature Form.

ATHLETIC TEAM NUMBERS

In the event we do not have enough student-athletes to fill a sports team, we will first open tryouts for the grade below. If that solution still does not allow us to field a sports team, then we will combine into one middle school team. This is only for the following sports: Volleyball, Boys Basketball, Girls Basketball, Baseball and Softball.

ATHLETIC TRANSPORTATION FEE

Each student on a school athletic team will be charged \$25 per sport to offset the cost of transportation.

ACCIDENT INSURANCE

Noblesville Schools makes available a student accident insurance policy which is distributed at the beginning of school. The school will not act as an agent between the insured and the insurance company. The school does not carry insurance for student injuries or loss of personal property.

EMERGENCY MEDICAL AUTHORIZATION

Noblesville Schools requires that each year every student who participates in any school-sponsored activity that is held off school grounds have a current emergency medical authorization on file. This form requires the signature of the parent or guardian and gives consent for the child to receive medical treatment that may be deemed advisable in the event of injury, accident, or illness that may occur during participation.

SECTION V – STUDENT CONDUCT

Be The Change That You Want to See In The World by confidentially reporting bullying, inappropriate relationships, suicidal thoughts/words, violence or abuse. Reports can be made to the “Speak Up” APP or directly to a trusted Noblesville Schools’ staff member.

A Code of Student Conduct, as required by Indiana Law and the Board of School Trustees of Noblesville Schools, is presented in this handbook. This information is provided to students, parents, teachers, and administrators so they may fully understand their responsibilities. Students are expected to conduct themselves at all times in a manner that will contribute to the best interest of the school and not infringe upon the rights of others. Education cannot take place unless there is an atmosphere of order and discipline.

Noblesville Middle Schools acknowledge that relationships are central to the building of a school community. Administrators, teachers, counselors and other staff may use restorative practices to improve these relationships and student behavior. Restorative practices involve repairing harm done to relationships as opposed to solely utilizing punitive consequences.

Administrators have a right to provide a range of approaches and consequences, including restorative practices, to address student choices, as well as deny school privileges by removing or suspending a student from class, to enlist parental support, and to recommend expulsion. Administrators are responsible for maintaining discipline, for notifying parents of student behavior, and the resulting consequences.

A law enforcement officer may arrest a student and remove him/her from school if necessary.

V. Search and Seizure

According to Board Policy and Indiana law, a student shall have no expectation of privacy in school facilities such as lockers and desks that are school property provided for student use. A principal may search a student's locker or the locker's content at any time.

Searches of student's person, or personal items should be done with consent. However, if the student does not consent, such a search may be permitted based upon the administrator's reasonable suspicion that such a search could produce evidence of a violation of law, a school rule, or a condition that endangers the safety or health of the student.

Anything found in the course of a search pursuant to this Handbook and/or Noblesville Schools Policy 5771 – SEARCH AND SEIZURE that constitutes evidence of a violation of law or school rule may be the basis for discipline as described in this Handbook.

Definition of "in possession" for purposes of the Student Code of Conduct

Students are required before coming on school property to inspect their possessions and vehicle for the presence of items that may not be possessed on school property. Students are "in possession" of an item for the purposes of these rules when the item is on their person; in their immediate possession such as in their hand, pocket, purse, or backpack; is in a place under their exclusive control; or the student is aware the item is in a place to which the student has access such as a shared locker or vehicle. The parent may be directed to take the student for a drug screen within a specified period of time. Failure to obtain a drug screen as directed or to cooperate with a search will lead to a request for expulsion.

2. Use of Canines

- a. The School may ask Noblesville Police Department canine division to conduct random searches of both student lockers and the school parking lot. If a canine indicates on a car, locker or student article, the school administration will follow through on the basis of reasonable suspicion. This may include but is not limited to a more thorough search of

the student's person or belongings, a nurse evaluation of substance-induced symptoms present and a drug screen. Administration will meet with the implicated student to more fully investigate the situation. Parents will be notified in a timely manner when the investigation is underway. Any search conducted by administration shall be conducted in accordance with Board policy, this Student Handbook, and applicable law.

VII. Consequences for Violating the Student Code of Conduct

Recognizing that the behavior of some students may be so disruptive that it interferes with school purposes or educational functions of the school corporation, school officials may find it necessary to provide consequences or to remove a student from school. In this event and in accordance with Indiana Law, the Board of School Trustees authorizes the following actions and policies.

1. **Restorative Conference or Circle**- A teacher, administrator, counselor, social worker, or student may request a restorative conference to address behavioral concerns. Members of the school community may participate in restorative conferences to address and solve interpersonal issues that occur during the school day. Restorative practices involve repairing harm done to relationships and enhance the responsibility for actions of all members involved. Use of restorative conferences and circles could take the place of a traditional punitive consequence.
2. **Removal from class** - A teacher may remove a student from class for a period of time or remainder of class. The administration may permanently withdraw a student from a class as a disciplinary action if circumstances indicate such an action.
3. **Detention** - Students may be detained before and/or after school for up to one hour under the supervision of the teacher assigning the detention. The administration may also assign detentions to be served in the designated detention room. The student will report for detention promptly at the designated time and place. Failure to serve a detention may result in a suspension.
4. **Friday Detention** - Friday detentions are assigned to students who have violated school rules. The following rules and procedures apply:
 - a. Friday detentions occur on most Fridays during the school year from 3:45pm to 5:45pm. The student may be required to show a school ID to the detention supervisor.
 - b. Students are notified in person and in writing of their assignment to Friday detention, and they have the responsibility to inform their parents of this assignment.
 - c. Unavoidable conflicts with the Friday detention assignment must be communicated to an assistant principal PRIOR to the Friday the detention is to be served. Failure to do so may result in the student being suspended.
 - d. Students are expected to provide enough homework and/or appropriate reading material to work on for the entire length of the detention.
 - e. Sleeping, laying one's head on the desk, visiting, eating and drinking, and other unacceptable behavior will not be tolerated. This type of behavior may lead to a suspension.
5. **Suspension** - A school principal or designee may deny a student the right to attend school or take part in any school function for a period of up to 10 consecutive school days. Students may be suspended to in-school suspension (ISS), to home, or to an out- of-school suspension center (OSS). Work completed by students during suspension, whether in school, at home, or at the OSS center will receive full credit based upon the teacher's evaluation criteria. When a principal or designee determines that a student should be suspended to OSS center, the following procedures will be followed:
 - a. A meeting will be held prior to the suspension of any student. At this meeting the student will be entitled to:
 - i. A written or oral statement of the charges;
 - ii. If the student denies the charges, a summary of the evidence against the student will be presented; and
 - iii. The student will be provided an opportunity to explain his or her conduct.

- b. The meeting shall precede suspension of the student except where the nature of the misconduct requires immediate removal. In such situations, the meeting will follow the suspension as soon as reasonably possible following the date of the suspension.
 - c. Following the suspension, the principal shall send a written statement to the parent of the suspended student describing the student's misconduct and the action taken by the principal.
 - d. The parent will be called and the suspension may begin the morning of the next school day.
 - e. On each day of the suspension, the parent or guardian will deliver the student to a designated location where suspension time will be spent. The parent will also be expected to pick up the student at a predetermined time in the afternoon. Exceptions to these procedures are made for students over 18 years of age.
 - f. Failure to comply with the suspension policy will be referred to the court and/or the Prosecutor's Office.
 - g. Students are to serve all suspension days before returning to school. If a student is absent for a portion of the suspension time, the student must complete the suspension before returning to regular school. The student may be required to attend a re-entry conference with an administrator, counselor, and/or social worker upon returning to school.
 - h. Continued violation of school rules could result in expulsion of the student.
6. **Expulsion** - Expulsion is disciplinary action whereby a student is separated from school attendance for a period in excess of 10 school days. In accordance with the due process procedures defined in this policy, a student may be expelled from school for a period no longer than the remainder of the current semester plus the following semester, with the exception of a violation of the rule on firearms or destructive devices listed under the Student Code of Conduct. When a principal or designee recommends to the superintendent that a student be expelled from school, the following procedures will be followed:
- a. When a request for expulsion is made, the student will be suspended from school for a period of ten days pending a request for an expulsion meeting.
 - b. The student and student's parent will be given notice of their right to appear at an expulsion meeting with the superintendent or designee. The notice of the right to appear at the expulsion meeting will be in writing, delivered by certified mail or by personal delivery, contain the reasons for the expulsion, the date, time, place, and purpose of the meeting, and the procedure for requesting an expulsion meeting.
 - c. Failure by a student or a student's parent to request and appear at an expulsion meeting after receipt of notice of the right to appear forfeits all rights to contest the expulsion and appeal it to the School Board.
 - d. At the expulsion meeting, the principal or designee will present evidence to support the charges against the student. The student or parent will have the opportunity to answer the charges against the student and to present evidence to support the student's position. An attorney may not represent the student at the expulsion meeting, but the attorney may be available for consultation outside the meeting room during the course of the expulsion meeting.
 - e. The person conducting the expulsion meeting will make a written summary of the evidence heard at the meeting, take any action the individual finds appropriate, and give written notice of the action to the student and the student's parents within ten days.
 - f. Within ten days of receipt of a notice of action taken by the individual conducting the expulsion meeting, the student or the student's parent may make a written appeal to the School Board. The School Board will hold a meeting to consider the written summary of evidence and the arguments of the principal and the student or the student's parent, and may take action the School Board finds appropriate. The School's Board decision may be appealed only under I.C. § 20-33-8-21.

Note: Expulsion and suspensions shall be noted on student's permanent record, unless the parties have agreed to a probationary agreement otherwise.

- Treat bus seats and equipment with care and respect.
- Keep the bus clean and orderly.

Inappropriate and/or unsafe conduct on the bus will result in temporary removal from the bus and may result in indefinite removal. Violations of the NEMS Code of Conduct while on the bus may also result in additional discipline that follows the NEMS handbook.

An administrator may, at any time, permanently remove a student's privilege to ride the bus if student behavior warrants such action.

DRESS CODE

Noblesville East Middle School expects that all students will dress in a way that is appropriate for the school day or for any school-sponsored event. Student dress choices should respect the District's intent to sustain a community that is inclusive of a diverse range of identities. The school district is responsible for seeing that student attire does not interfere with the health or safety of any student, that student attire does not contribute to a hostile or intimidating atmosphere for any student, and that dress code enforcement does not reinforce or increase marginalization or oppression of any group based on race, sex, gender identity, gender expression, sexual orientation, ethnicity, religion, cultural observance, household income, or body type/size.

Guidelines

The following dress code guidelines shall apply to regular school days and, as well as any school-related events and activities, such as award ceremonies, dances, and field trips.

1. **Basic Principle: Certain body parts must be covered for all students at all times.** Clothes must be worn in a way such that genitals, buttocks, chests, and midriffs are fully covered with opaque fabric. **Students should be able to move freely through day-to-day tasks without exposing these body parts. (e.g. sitting, picking up items from their locker etc.)**
2. **Students Must Wear***, while following the basic principle of Section 1 above:
 - A shirt (with straps that cover undergarments and a shirt with fabric in the front, back and on the sides under the arms extending to as least the navel AND
 - Pants, jeans, skirt, dress or the equivalent (e.g. sweatpants, leggings or shorts) AND
 - Shoes (Activity-specific shoes may be required for some classes e.g. athletic shoes for PE and closed-toe shoes for Construction Trades)
3. **Students Cannot Wear:**
 - Clothing that reveals visible undergarments
 - Any item that obscures the face or ears e.g. sunglasses, beanies, hats (front or rear facing), and hoods. Items such as headscarves, headbands, wave caps, and religious head coverings are permitted.
 - Coats during the school day; Coats should remain in lockers.
 - Swimwear (except as required in class or athletic practice);
 - Clothing or accessories that may damage school property or cause personal injury to others (e.g. chains)
 - Clothing or cosmetics displaying/promoting profanity, violence, or gang affiliation messages/symbols;
 - Clothing possessing pornography or sexually offensive/suggestive messages/symbols or references to other inappropriate topics;
 - Clothing that advertises, promotes, or depicts alcohol, tobacco, drugs or other illegal item or activity.
 - Clothing possessing images, symbols or language that creates a hostile or intimidating environment based on any protected class or frequently marginalized groups, e.g. hate speech or the Confederate flag.

Note: Restrictions to student attire imposed by the school are necessary to support student safety and security, and the overall educational goals of the school.

*Blankets and pillows are only allowed at school in the event of an overnight field trip.

Dress Code Enforcement

As a result of a dress code violation, students may be provided multiple options for complying with the dress code during the school day:

- Students may be asked to put on their own alternative clothing, if already available at school, for the remainder of the day.
- Students may be provided with temporary school clothing, if available for the remainder of the day.
- Students' parents may be called to bring alternative clothing for the student to wear for the remainder of the day.
- Students may be required to leave the clothing item or accessory with office personnel for parent pick-up if the item causes a major disruption or is a safety concern.

For repeated offenses, the administration may address the dress code violation with additional actions.

DUE PROCESS RIGHTS

The Fourteenth Amendment to the Constitution guarantees Due Process to individuals. Due Process in education implies the following:

1. That rules and regulations of schools are published and distributed;
2. That students know and understand these rules and regulations; that when a student is believed to have violated a rule or regulation, he or she is confronted with this belief and given the opportunity to respond to the accusation;
3. That when rules or regulations are violated, certain consequences will occur;
4. And that if expulsion from school is a recommended consequence and if the student or the student's parent wishes, an expulsion meeting must be held. An attorney may not represent the student at the expulsion meeting, but the attorney may be available for consultation outside the meeting room during the course of the expulsion meeting. Appeals to the School Board and to the civil courts may follow in sequence.

INDIANA LEGAL STANDARDS AND REQUIREMENTS

I.C.20-8.1-5-2 Delegation of Authority: Each principal may take action concerning his school or any school activity within his or her jurisdiction which is necessary to carry out or prevent interference with an educational function or school purpose. Such action includes establishing written rules and standards to govern student conduct.

I.C. 20-8.1-3-34 Compulsory Attendance/Duty of Parents: It is unlawful for a parent to fail, neglect, or refuse to send his child to a public school for the full term as required under this chapter unless the child is being provided with equivalent instruction as the public school provides.

I.C. 20-8.1-5-31.1 Habitual Truants: The superintendent or the superintendent's designee may report a student who *is habitually* absent from school in violation of this chapter to an intake officer of the juvenile court.

I.C. 20-8.1-1-3-37 Penalties: Anyone knowingly violating this chapter commits a Class B misdemeanor that is punishable by imprisonment (up to 180 days) and/or a fine up to \$1,000.

According to state law, certain absences are recorded as if the student were present in school and are not counted as absences. These absences include:

1. Service as a page in the Indiana General Assembly.
2. Military service.
3. Incarceration.
4. School-sanctioned field trips.

ATTENDANCE POLICY and ACES PROCEDURES

Schools are granted, by the State of Indiana, with broad authority to prescribe and enforce procedures relating to student attendance. Indiana attendance law mandates every student enrolled must be in attendance. Excessive absence, as determined by the school administration, is to be acted upon, utilizing due process and procedures which could result in consequences as described below.

Indiana Standards and Requirements Provided by Statute

I.C. 20-33-2-28 Compulsory Attendance/Duty of Parents: It is unlawful for a parent to fail, neglect, or refuse to send his child to a public school for the full term as required under this chapter unless the child is being provided with instruction equivalent to that given in public schools.

I.C. 20-33-2-25 Habitual Truants: The superintendent or attendance officer may report a student who habitually is absent from school in violation of this chapter to an intake officer of the juvenile court.

Noblesville Schools considers a habitual truant to be someone who has accumulated three incidents of truancy per year.

I.C. 20-33-2-44 Penalties: Anyone knowingly violating this chapter commits a Class B misdemeanor which is punishable by imprisonment and/or a fine.

According to Noblesville School Board policy, certain absences are considered as excused. The list of excused absences is included in the "ACES" program below.

Note that all expectations and procedures related to absences and makeup work will be applied with reasonable consideration given to the effects of COVID-19 on students and their families.

"BE PRESENT"

ACES SECONDARY (6-12) ATTENDANCE PROGRAM Attending Class Equals Success

Classroom attendance, even when grades are not assigned for the day's activities, provides valuable learning through direct instruction, discussion, group activities, and student interaction. When students are absent, they deprive their classmates of their contributions to the learning process, and they do not derive any benefits themselves from the classroom discussions and interactions among teachers and fellow students. The primary goal of the Noblesville Schools' attendance policy is to encourage maximum student attendance so that students have every available opportunity to succeed.

Absences that are excused include

- Personal illness or injury
- Verified car accident
- Court appearances, incarceration, jury duty, service on election day
- Serving as a page for the state legislature
- Medical appointments (documentation preferred)
- Death or serious illness in the family
- Religious observations

School sponsored field trips
Military Service and Commencement

“Unexcused Absence” means an absence from school that is not authorized by the local school administrator or local school corporation rule.

Absences not referred to in the ACES Program are

Absences with medical documentation
Religious observations
Death in the family
School Sponsored Field Trips
Military Special Events
Court Appearances or incarceration
Mandated Absences – Suspension/Expulsion/Exclusions
School sponsored field trips

**According to School Board policy regarding extraordinary circumstances parents may, in rare instances, receive approval of the principal for a student to be absent and excused from school for reasons other than those specified by law and policy.

ACES Target Group: 1. Students with Excessive Absences 2. Students refusing to attend school.

Excessive Absences:

1. When a student misses 7 unexcused days of school, an administrator will review the student's attendance. The parent, student, administrator, counselor/social worker and/or nurse (if requested) may be included in the review process. In some cases, the School Resource Officer will be involved. The review team will determine the causes of the student's absences and the student will be encouraged to improve his/her attendance. A letter from the school may be given to the parent indicating an immediate need to improve attendance. Documentation of all communication will be kept on file. In addition, the student's counselor may refer the family to Noblesville Youth Assistance.

If at any point the school determines a consequence is necessary, then the school may assign a Friday School, In-school suspension, or Saturday out of school suspension.

2. When a student misses 11 unexcused days of school, the parent may receive by mail or email an attendance letter from the school as well as a request for a physician's certification of a child's incapacity to attend school, or a letter requiring a doctor's note to document the causes of further absences. In some cases, the School Resource Officer will be involved. In addition, the student's counselor or social worker may refer to Noblesville Youth Assistance. An attendance contract may also be completed.
3. When a student misses 15 unexcused absences, the student and parent are referred to the Hamilton County Prosecutor's Office. The Hamilton County Prosecutor's Office will mail a letter to the parent stating any further absences will result in a required meeting.

If additional unexcused absences occur, a required meeting will occur with the deputy prosecutor, parent/guardian, student, and the school where the deputy prosecutor will present information to

the parents and student on the following:

Indiana school law on attendance and educational neglect;
The definition of excused and unexcused absences;
Truancy, delinquency, and increasing the chances for becoming a dropout; The consequences of further absences from school.

Any further unexcused absences may result in additional involvement with local authorities and school administration. A warning of further actions will be communicated if attendance does not improve.

4. If the student continues to have further unexcused absences, the school may submit a truancy report to the Hamilton County Prosecutor's Office for review and/or request that an investigation into educational neglect charges occur.

**If your student has been referred to ACES in a previous school year, your case may be expedited with the Juvenile Prosecutor's Office.

School Refusal:

Noblesville Schools defines "school refusal" as a student who is truant from school or any part of the school day. School refusal is when neither the parent/guardian nor school officials know the reason for a student's absence at the time of the absence or the **"willful refusal to attend school in defiance of parental/ guardian authority"**.

1. When a student misses 1 day due to school refusal, the school will give the student a warning, talk with the parent and student, as well as make a NYAP referral/consultation.
2. Upon the 2nd day the student refuses to attend school, the School Resource Officer (SRO) will become involved and the student will be assigned an out of school suspension on a Saturday or during the week. The out of school suspension will not be served at home.
3. When a student refuses to attend school for the 3rd time, a referral to the Hamilton County Prosecutor's Office will occur.

Request for Excused Absence:

"Excused Absence" means an absence from school that is authorized by the local school administrator or local school corporation rule.

Parents may, in rare instances, receive approval of the principal for students to be absent and excused from school for reasons other than those specified by law and policy. A **parent must seek the principal's approval** by completing the [Request for Excused Absence Form](#) and submitting it to the principal at least 5-days prior to the date of absence. The *Request for Excused Absence Form* may also be obtained from Student Services.

Student absences during semester exams, or immediately before or after school vacations require a doctor or parent's certification of a medical treatment in order to be excused when requested by school officials. The parent must call to report the absence on the day it occurs and send written verification of the student's illness when the student returns to school.

ATTENDANCE PROCEDURES

Reporting a Student Absence

Parents must call the [24-hour attendance line](#) by 10:00 am on the day a student is absent. If there is no phone in the home, a note must accompany the student upon his/her return to school. The note must state the reason for the absence and be signed by the parent.

If the student has received medical attention, a doctor's note should be submitted to student services upon his/her return to school. According to state law, parents may be required by the school to provide documentation from a medical provider for any student absence. Absences that are not verified by parents **within two days** shall be classified as unexcused or truant.

If the attendance office does not receive a phone call or a note as outlined above, the student's absence will be considered unexcused. Unexcused absences and/or excessive excused absences may be reported to the Hamilton County Prosecutor's Office.

Leaving School Because of Illness

1. Students must report to the school nurse.
2. The nurse will contact a parent.
3. Students must be signed out of school **by the custodial parent or parent's designee** in the office before leaving.
4. Students who leave school without following these procedures are truant. Students may not contact a parent on his or her own; permission must be given by the nurse's office.
5. It is a violation of the cell phone policy for a student to contact a parent/guardian by cell phone instead of reporting to the nurse's office and having the nurse contact the parent/guardian.

Leaving School for Medical Appointments

1. Parents are encouraged to schedule appointments **outside of school hours**, and they should inform or remind students of their appointments beforehand. Parents are strongly encouraged to refrain from scheduling appointments during ISTEP testing.
2. The student should attend school before and after appointments.
3. A parent should send a note on the day of the appointment and give the student's name and grade level, the doctor's name, and the date and time of the appointment.
4. The student can obtain a pass at student services before school or at lunch to leave class for the Appointment.
5. The student must be signed-out of school **by the custodial parent or parent's designee** in the office before leaving. Parents will be required to provide a photo ID.
6. Upon returning to school, students must sign-in and provide the office with the doctor's verification of the appointment.

Truancy

Truancy to school occurs when a student is absent from school without an excused absence reported by a parent and approved by the school. Students who are truant will be assigned a disciplinary consequence. Habitual truants may have a Juvenile Truancy Report filed on them through the Hamilton County Juvenile Prosecutor's Office.

Tardy Policy

Teachers will use the following guidelines when students arrive tardy to:

For the first period of the day:

- Students arriving late to school after 9:00 AM must sign in at the front desk in the office to obtain a late pass to class. Students will be counted tardy to school. If a student arrives to class after 9:10 AM, teachers should send students to the main office for a pass so the tardy to school is recorded.
- If students are in the building but arrive to class between 9:00-9:09 AM without a pass, teachers should follow the procedures listed under "For tardies to ALL classes" below.
- Reasons such as, but not limited to, car trouble, traffic, oversleeping, missing the bus, assumptions about school delays or closures, and parents taking responsibility will result in a tardy and/or absence being marked as unexcused.
- Unexcused tardies to school per semester will be handled in the following manner:
 - 1st and 2nd: Office verbal warning and parent contact
 - 3rd - 5th: Office-assigned detention and parent contact
 - After 5th tardy: Administrators may assign various consequences including, but not limited to, Friday school, before or after-school detentions, in-school suspension, out-of-school suspension, community service, or restorative practices.

For tardies to ALL classes:

- Unexcused tardies per semester, (Period 1 tardies before 9:10 AM without a pass and all tardies for remaining periods) will be handled in the following manner:
 - 1st and 2nd: Verbal warning from the teacher, teacher/student conversation
 - 3rd: Teacher contacts parents and assigns consequence
 - 4th - 5th: Student referral to the office, office-assigned detention of 1 hour, and parent contacted
 - After 5th tardy: Administrators may assign various consequences including, but not limited to, Friday school, before- or after-school detentions, in-school suspension, out-of-school suspension, community services, or restorative practices.

Excused from Participation

If it is necessary for a student to be excused for one day from a classroom activity for medical reasons, the student should have a parent-signed request to give to the school nurse, who will pass it along to the teacher(s). If the request is for an extended period of time, the student will be requested to obtain a physician's statement.

Occasionally, parents call the office and make verbal requests for students to be excused from participation due to illness. The nurse will issue an excuse for that day and request that a written statement is brought for additional days of non-participation.

Students who are unable to participate in the regular activities may be required to complete another reasonable alternative educational assignment, not as a penalty, but to gain credit in place of the classroom activity missed.

SECTION VI - TRANSPORTATION

BUS CONDUCT

Students who are riding to and from school on transportation provided by the school are required to follow some basic safety rules. This applies to school-owned buses as well as any contracted transportation that may be provided.

The driver is responsible for student safety and may assign seating or direct the student in any reasonable manner to maintain that safety.

The driver will not drop off students at places other than their regular stop at home or at school unless s/he has proper authorization from school officials.

Videotapes on School Buses

The School Board has authorized the installation of video cameras on school buses for purposes of monitoring student behavior.

If a student is reported to have misbehaved on a bus and his/her actions were recorded on videotape, the tape will be submitted to the principal and may be used as evidence of the misbehavior. Since these tapes are considered part of a student's record, they can be viewed only in accordance with federal law.

Penalties for Infractions

A student who becomes a behavior problem on the bus shall be disciplined in accordance with the Student Discipline Code and may be deprived of the privilege of riding on the bus.

BUS PASSES

If a student wishes to ride an alternate bus, his/her parent must give written permission with the bus number and parent phone number. The student will receive a stamp on the note from Student Services. Bus passes must be brought to Student Services before 1st period to be honored. Any note brought after 1st period will be verified with the parent before a pass is issued.
