

NOBLESVILLE SCHOOLS

REFERENDUM 2018

Since 2009, we have lost \$46.5 million in funding.

The 2016 referendum was about maintaining the status quo and was a **reduction** in the tax rate.

This referendum is asking for additional funding to:

- Enhance **mental health** staff & initiatives
- Increase **safety** staff & equipment
- Retain/recruit high-quality **teachers/staff**

Due to the teacher shortage and recent pay increases by neighbor districts, our teachers are leaving for positions that can pay \$10-\$15,000 more.

The 2018 referendum will replace the 2016 referendum & will provide funding through 2026.

NOBLESVILLE SCHOOLS

REFERENDUM 2018

The current referendum rate is 18.9 cents and the new proposed rate is 37 cents. This increase would raise an **additional \$6.25 million/year** for the district.

53% of the additional funding would be spent on mental health & safety, while 47% would be spent on staff retention & recruitment.

For the median Noblesville home valued at \$206,000 this increase in funding would mean **\$15 more/month.**
