

NUTRITION & FOOD SERVICES

NOBLESVILLE SCHOOLS

2021-22

Free & Reduced Meal Applications

- Applications are needed to qualify for curricular material assistance and Pandemic -EBT assistance.
- Families must complete a meal application yearly. If you are notified that your child (ren) have qualified based on SNAP, TANF, or Medicaid, a meal application is not needed.
- If a child is missing from your qualification letter, you must contact our office in order to extend the benefits to others living in the household.
- After completing a meal application, you will receive an approval or denial letter by email within 10 working days.
- Only 1 application per household is needed.

Breakfast and Lunch Meals are FREE to All Students

Snack and beverage prices still apply
LMP and adult meals do not qualify for subsidies and will be charged at an appropriate rate to cover food and labor costs.

We serve breakfast too!

Start your student's day off right with FREE breakfast! Studies show that students who eat breakfast have improved classroom behavior, attendance and test scores. Noblesville Schools offers breakfast every morning before the first morning bell in all cafeterias.

Charge Policy

School meals are free for all, but all snacks, beverages and individual milk are sold separately. If money is not on account, the student will not be permitted to charge these food items.

Elementary students are required to bring a lunch or purchase a lunch before buying snacks or extra servings.

Secondary students have the choice of selecting a school meal or paying extra for individual meal components/snacks.

WE ARE HIRING

Want to make some extra cash and get to be home when the bus comes? Our employees work part-time with no nights, weekends, or holidays.

PAYMENT CENTER

- Online payments can be made at: [K12PaymentCenter.com](https://www.k12paymentcenter.com)
- Other functions include:
 - Transferring funds between siblings
 - Customized balance alerts
 - Spending History
- No more waiting, funds typically become available for use within the hour

What Makes a Lunch?

Lunch consists of 5 meal components. Students need to choose 3-5 components, and one must be a fruit, vegetable or combination in order to qualify for a **free** meal.

Components Include

- Protein (most often paired with grain = entree)
- Grain/Bread
- Fruit (may choose 2 options)
- Veggie (may choose 2 options)
- Milk (flavored, white and lactose free available)

If your child has severe life-threatening allergies please contact our office or visit our webpage regarding cafeteria allergy management
