We serve breakfast too!

Start your student's day off right with breakfast! Studies show that students who eat breakfast have improved classroom behavior, attendance and test scores. **We offer grab/go breakfast every morning before the first morning bell in all cafeterias on all days of school.**

Charge Policy

The State Board of Accounts requires we do not inquire debt from student meal charges. It's our goal to give every student a meal daily regardless of money. However, money owed is expected to be paid within a timely manor. We ask kindly that you maintain a positive account balance if your child will be purchasing meals.

We do not allow students to charge extras or snacks. Only school meals can be charged to accounts without the appropriate funds available.
