Principal's Corner  from Mrs. Kelly Treinen

Wednesday, we celebrated National Read Aloud Day at PRE. We had several Noblesville Celebrities come and read to our students: NS Superintendent- Dr. Niedermeyer, Mayor Chris Jenson, Noblesville Firefighters, Noblesville High School Athletes, and our students were able to listen to Miranda Paul through live streaming. Our fifth graders had a bonus reader, their principal next year at NEMS, Mr. Ryan Rich. It was truly a day to celebrate reading aloud to our students! No one is ever too old to listen to a read aloud!

PRE celebrated Global School Play Day today. Classrooms incorporated games into subjects areas and then just stopped and had some fun! Here are some students enjoying their Global Play Day!

We hope you are enjoying The One and Only Ivan as a family! Your children are listening to highlights from various staff members on the morning announcements and we are incorporating some activies into our school family time! We hope students of all grade levels are experiencing our One Book, One Mission!

Have a wonderful weekend!
