What’s Happening This Week:

Math:
This week’s students will focus on the following:
• Skip counting patterns (Homelink 1.10)
• Comparing numbers using <, > and = (Homelink 1.11)
• Exploring Base-10 Blocks, Area and Dominoes (Homelink 1.12)
• Unit 1 Review coming home Monday and due Thursday
• Unit 1 test on Thursday, August 29th.

Reading:
This week we are continuing our first reading unit—Reading Growth Spurt. Lessons this week will focus on:
• I can mark my thinking with a post it
• I can ask and answer questions
• I can figure out tricky words by using everything I know
• I can use more than 1 strategy at a time to word solve
• Word beginnings and endings can be read in a snap

Science & Social Studies:
We will continue to learn about citizenship by interacting with the 8 habits of a leader: we will focus on Seek First to Understand and Synergize

Writing:
This week students will focus on the following:
• Capturing Story Ideas in Tiny Topic Notepads
• Stretching Out Small Moments
• Writing with Details
• Crafting Powerful Endings
• Making Sure Writing Makes Sense and Sounds Right
