What’s Happening This Week:

Math:
This week we will continue our first unit of math of establishing routines. Lessons this week include:
- Children discuss selected solutions and explanations and revise their work.
- Children use addition and subtraction to write equivalent names for numbers.
- They reinforce place-value concepts by skip counting on calculators.
- Children build fact fluency by finding combinations of 10.
- Children investigate My Reference Book and are introduced to the quarter and Math Boxes.
- Children explore even and odd numbers using concrete and visual models.
- Please continue to practice facts at home! Optional home links to be working on work be 1.5-1.9 for the week.

Reading:
This week we are diving into our first reading unit-Reading Growth Spurt. Lessons this week will focus on:
- I can give the book a sneak peak to decide how the book WANTS to be read.
- I can get stronger by reading a lot!
- I can read in longer phrases scooping up snap words as I read
- I can give a five finger detail

Science & Social Studies:
We will continue to learn about citizenship by interacting with the 8 habits of a leader: we will focus on First Seek to Understand then to Be Understood & Think Win Win.

Writing:
This week students will focus on the following:
- Prewriting: Where Else do Good Ideas Come From
- Decide a Piece is “Finished” and Self Start a New One
- Spell as Best You Can – using a dictionary
