**What We Are Learning This Week**

**Reading:** We will be working on supporting our thinking with evidence from the text and looking at story elements. Students will write a two paragraph reading response using text evidence to support their thinking. The reading response is due on Friday.

**Vocabulary:** Students will review the vocabulary words we have studied the last few weeks. These words are all from the book we were reading aloud, *The Tiger Rising*. Students will receive a study guide on Monday. We will take a vocabulary quiz on these words on Friday.

**Writing:** We will be editing our stories and publishing them. The realistic fiction story is due on Monday, October 1.

**Math:** We will work on story problems and long division. Students will also be working on mastering their multiplication facts. We will have a math test on multiplication, division, and story problems on Friday. There will be no homework this week so students can study for the math test.
