

News from Mrs. Broviak's Class

Nov. 27 - Dec. 1

Here's what are we studying this week:

Reading Skill: non-fiction skills

Wordly Wise: Lesson 1 Words

Writing: persuasive unit - general essay format

Math: interpreting remainders, skill review, unit test

Science: Energy Unit

Special's Schedule

Monday: Art

Tuesday: P.E.

Wednesday: Technology, Early Dismissal @ 2:55

Thursday: Music

Friday: Art, Library

Notes

We are getting ready to start our science unit on energy. At the end of the month, students will apply their newfound knowledge and make a circuit board. Students will need to bring in 2 "D" batteries for this project. We won't need them for a couple of weeks, but they can start bringing them in now if you would like. 😊
