

The Brushstroke

MARCH/APRIL

2019

Congratulations Corner

- Congrats to 1st grader Taylor S. and 3rd grader Kendall W. Both had artwork chosen to be displayed at the St. Vincent Hospital on Olio Road. It will be there through the summer. Stop by and check it out!

HC Art Studio News

- Thanks to everyone who emailed me pictures of your child with a piece of art this year. Keep sending them in...it's never too late!

Grade Level News

Kindergarten

Our fabulous kindergarteners are finishing their Mondrian Spiders and will be getting ready for butterflies next! Ask them what the three primary colors are!

First Grade

The first graders are finishing their Handy Art that taught them primary and secondary colors. Next they will be learning about the color wheel and ROYGBV.

Second Grade

The second graders have ventured into a unit on color. They are finishing up their Trees of Color based on Gustav's Klimt's Tree of Life.

Third Grade

Third graders are finishing up a lesson on Picasso. He would definitely be proud of their Picasso Portraits. They used a new medium on these...tempera sticks. So fun and satisfying (as the kids say!) ☺

Fourth Grade

The fourth graders have finished up their color unit and will be moving on to form. Their next project is always the favorite...Geometric Sculptures made from wood!

Fifth Grade

The fifth graders are moving right along and are in the middle of a still life project. It was a guided drawing lesson. They turned out amazing! So proud of them!
