Lunch Procedures

Parents/Guardians may attend lunch in the cafeteria with your child. Please ensure you have an updated background check on file with the school. Parents should plan to arrive 5 to 10 minutes prior to the beginning of their child's lunch time to give time to check in and receive a visitor badge. No outside food or drink is permitted, but parents may bring a lunch from home or call ahead of time to order a school lunch. Visitors will eat lunch in a special area on the stage with their child. No other students will be allowed to join the guest and their child for lunch unless the other students' parents/guardians are also present.

eLearning Day

Our next eLearning day is **Wednesday, September 21**. Students will learn remotely on September 21.

Note to Parents: Children in grades K-2 will be taking an NWEA Early Literacy Screener (required by SB 217) during the assessment window of 9/12-9/23. This assessment will help us learn more about your child's foundational reading skills. It will share a child's strengths in reading as well as if a child might exhibit signs of reading difficulties, including characteristics of dyslexia. We look forward to learning more about your child as a reader.

Join the Noble Crossing Spell Bowl Team!

This fall Ms. Bonesho, Miss Lewandowski and Mrs. Herzog will be coaching the team! Any 4th or 5th grade student is eligible to join the team. The competition will be in person this year on Nov 14th at a site yet to be determined. More information and the sign up form is included in the link below.

Nurse's Notes

Do any of your students need vaccines? We will be hosting an immunization clinic at NORTH ELEMENTARY in their gym on Sept. 15, 3-6pm. Please reach out to the school nurse, Alissa Davis, for more information.

Other Reminders...

- 1) School may be back in session but summer activities haven't stopped for many. Click to watch important tips to avoid [Bug Bite Safety](#).
- 2) Please send in a set of clothing (shirt, pants, undies) to keep in your student's cubby at school. Even older kids fall in the mud or spill their lunch occasionally and they are much more comfortable in their own clothes.
- 3) COVID policies are currently the same that we ended with last year. The policy can be accessed here: <https://www.noblesvilleschools.org/return>. Please contact me if you have a student who is testing or who is positive.
- 4) Parents need to hand me any medications they want your student to take or have available. **Please do not send medications of any kind including inhalers and cough drops in the student's backpack.** There are pieces of paperwork required for medication, so please contact me for those.

Thank you for your continued support!
Alissa Davis, RN, BSN

News from the Art Room

Noble Crossing art students have been preparing to celebrate International Dot Day! All classes have created a dot themed artwork. Enjoy the displays throughout the halls of Noble Crossing.

We will celebrate on Friday, September 16. Please remind your students to wear dot clothing to school on September 16. International Dot Day is being celebrated in 197 countries by 22 million students and adults!

The celebration started when a teacher from Iowa, Terry Shay, decided to celebrate the birthday of the book, *The Dot*, September 15, 2003. Her students celebrated the power of personal creativity, to help make their mark in the world in 2007. The celebration has continued each year! Let's all celebrate creativity, bravery, self expression, and encouraging others.

Thank you, Mrs. Wielgos

**NAVIGATING PEDIATRIC ANXIETY:
A FAMILY PROCESS**

**SEPTEMBER 21, 2022
6:00 PM**

OUR LADY OF MT. CARMEL CATHOLIC SCHOOL
14596 OAK RIDGE RD CARMEL 46032

Dr. Kelly Slama-McManus is a graduate of Miami University and IU School of Medicine. She completed a residency in pediatrics at Riley/IU Hospitals. She has worked in primary care and emergency medicine. Since the pandemic, she has devoted her professional time to educating and helping children and their families navigate the world of mental and behavioral health. She works at Axon Health Associates in Indianapolis where she sees children in office. In addition, she speaks with parents about mental health via her business, KSM Pediatric Consulting. Dr. Slama-McManus is a proud wife and mother of 4 children who inspire her and are her greatest source of pride.

This is designed for parents and caregivers in our post-pandemic, high anxiety world. The class will provide a non-judgemental space to learn about recognition and gain a basic understanding of anxiety. Coping skills for children and awareness of how parents play a role in furthering and/or limiting anxiety will also be addressed. To Register email Cindy@trinityfreeclinic.org

Tiger Trek: September 13- September 22

Tiger Trek is our largest fundraiser of the year. All families are encouraged to register students at mybooster.com and collect donations (either flat or pledge per lap) from close friends and family!

Between 09/13-09/22, students will participate in brief daily Tiger Trek activities including:

- Daily Tiger Trek announcements and video storyline for students
- Classroom Donation Trackers where classrooms earn fun in-school experiences such as bringing a stuffed animal to school, wearing PJs, using sidewalk chalk at recess, and the much loved POPCORN PARTY!
- Prize delivery for individual students based on pledges receive
- Nightly fundraising challenge announcements and awards

Our goal is to raise \$40,000 to fund all of our PTO initiatives including our 22-23 Schoolwide Enhancement project to update the interior courtyard as an outdoor learning space. We hope you'll join us to help us reach this important goal for our students!

Hot Box Pizza Spirit Night: Save the Date

Support the Noble Crossing PTO by ordering Hot Box pizza September 29th! Both Westfield and Noblesville locations will be participating from 11am-10pm.
