Learning Every Day, Growing Every Way, Stony Creek

Mrs. Karst's Memo

April 10, 2020

Stony Creek family we have missed you! I hope you have enjoyed some fun times outside earlier this week when the weather was so nice. Spring can have interesting weather for sure!

I want to personally thank family members who have been working to keep everyone safe during this trying time. We have many health care, emergency and essential workers that are part of the SC family. WE APPRECIATE YOU! I also want to thank all of you that have been, and will be helping our students continue to learn and grow at home during this trying time. We know how complicated it can be to balance all the demands on your time. Please know that we want everyone to give grace to yourself and the children when needed. We know you may have crucial things going on, and that not everyone is on the same schedule. Help your child do the work as best as you can, and reach out to the teacher if there is a circumstance that may impact work not being turned in during the week it was assigned. We will work with you. We have staff that can help.

There will be another email to parents from the district soon with additional information. We appreciate your patience with many answers remaining unknown for things that we normally do at the end of the year. As always, please let me know if there is anything I can do to help.

heidi_karst@nobl.k12.in.us

Heidi Karst,
Principal

E-Learning

As of next week e-learning will happen on Tuesday, Wednesday and Thursday. We are still monitoring student iPads, please remind your child of this. It is also very important to continue to monitor your child's use of their iPad. Thank you for your help!

With the extended e-learning, the majority of the learning will be done by the iPad that was sent home. If you do not have the internet, we can get you in contact with Comcast who will provide you with free service during these difficult times. Paper copies will not be provided. The district is working to bring hot spots to each school parking lot, and we will notify you when this is set up!

If you have an extenuating circumstance please email me, and we will try to problem-solve.

Upcoming Spirit Days for Families

Monday – SC spirit wear or shades of blue

Tuesday – Super hero or favorite character day

Workout Wednesday – Exercise gear and get moving day

Thursday – Team day, wear your favorite team jersey, shirt, hat or other item

Friday – PJ day, wearing pajamas is something we enjoy on e-learning days

*Please post your family SC spirit with #SCmustangs on Twitter or the Mustang Family Circle Facebook page!

Library Media Specialist Week

Next week is Library Media Specialist and LMS assistant appreciation week. Feel free to send an email of thanks to Mrs. McGovern and Mrs. Letourneau. We love their creative fun work!

Parade Update and Consolation Surprise Coming on Monday!

Unfortunately, due to the state's essential travel only order, our parade is postponed at this point. We will not announce a new date until the travel ban is lifted, and we can check the forecast, as a sunny day is best. Parade routes are the two maps below, and we will do both routes. Putting all streets on one map was too cluttered. Time is TBD with date.

Beginning of parade: [Link](#)

Second part of parade (in town): [Link](#)

We have a surprise lined up for you on Monday, so be watching for another email then!
