6th grade Immunizations

Just a reminder that all 6th grade students must have updated immunizations to the school nurse. The following shots are necessary to show on file:

3 Hep B

5 DTap

4 Polio

2 MMR

2 Varicella

1 Tdap (Tetanus & Pertussis)

1 MCV (Meningococcal)

Please turn in updated shot records to the nurse or office as soon as possible. *October 6th is the deadline.*

You may also email them to: erin_spicer@nobl.k12.in.us

Picking students up:

When signing a student out early for an appointment, please have ID with you to show receptionist. A parent/guardian/emergency contact signature is required for a student to leave. Please call in the morning so we can get your student an ehall pass for the time they are to leave. This can be done on the main line 317-776-7792 or attendance 317-776-7799.

If your student is returning, you can drop them off and we can get them signed in. No need to come back inside!

Transportation changes/messages to students: If you are unable to contact your student during the school day (no cell phone) please try to call with transportation changes by 2pm...calls after 2pm are difficult to deliver and we can't guarantee the change will make it to the student.

Miller Madness is here!

What is Miller Madness? Miller Madness is NWMS's main PTO fundraiser for the school year. Students do not have to sell any items; we simply ask for donations. On September 15th, students will run/walk an outdoor course to earn your donations.

Our goal this year is to raise \$25,000!
