Math: What's Happening This Week:

Unit 2:Math Fact Strategies

This weeks students will focus on the following:

- Near Doubles(2.5) Homelink
- Turn Around Rule (2.6) Homelink
- Subtraction and the Turn Around Rule(2.7) Homelink
- Exploring Addition Tools, Even/Odd, Shapes(2.8) Homelink

Reading:

This week we are diving into our first reading unit-Reading Growth Spurt. Lessons this week will focus on:

- Authors have intentions
- Readers don't just notice craft moves- they try them!
- Readers Think about How the Whole Book Clicks Together, Noticing Masterful Writing
- Readers Think, "What Does the Author Want to Teach me?"
- Ask Questions to Engage with the Text

Science & Social Studies:

We will continue to learn about citizenship by interacting with the 8 habits of a leader, as well as continue to practice having a growth mindset.

Writing:

This week students will focus on the following:

- Rereading Like Detectives: Making Sure Writing Makes Sense and Sounds Right
- Setting goals and making plans in writing
- Revising with Intent
- Trying out craft moves from mentor texts
