Noble Crossing Elementary  
317-773-2850 ext. 26215

## This Week's Travel Log

Our learning targets for the week are:

- I can compose plane shapes.
- I can count the sides and corners on plane shapes.
- I can model polygons, identifying their sides and corners. I can compare polygon models.
- I can identify and describe solid figures.  
I can count the flat faces and corners on solid figures.
- I can compose and contrast solid figures.
- I can identify shapes having line symmetry.
- I can create line-symmetric shapes.
- I can read and write not contractions such as can't, don't, and shouldn't.
- I can read and write words that contain the vowel combinations **oi** as in **foil** and **oy** as in **boy**.
- I can summarize a text or pull out the most important points from what I read.
- I can write a story about an experience I have had that will become my Young Author's Book.
- I can use my classroom and personal word walls to correctly spell words I use frequently in my writing.
