This Week's Travel Log

Our learning targets for the week are:

- I can divide shapes into equal parts and label the parts.
- I can recognize and sort doubles facts and near doubles facts.
- I can count forward and backwards by 1s and 10s using a number grid.
- I can name missing numbers on a number grid.
- I can use number-grid patterns to solve addition and subtraction problems.
- I can solve number grid puzzles.
- I can read and write words with the long i spelling patterns -igh as in light, -y as in cry, and -ie as in pie.
- I can read for nonfiction texts and learn what the author wants me to know.
- I can compare and contrast two things or ideas. I can show how they are alike and different using a Venn diagram.
- I can identify the following of earth's biomes and name three animals that call it home: ocean, woods, fresh water, Artic tundra, rain forest, desert, and prairie.
- I can state an opinion and support it in my writing.

A Note From Ms. Boyd

We will have morning specials from Monday, April 28th through Tuesday, May 2nd. This schedule change allows the upper grades to take the ISTEP+ test in the morning, a better time to test than in the afternoon. If you have any questions or concerns, please let me know. Thank you! ☺
