This Week's Travel Log

Our learning targets for the week are:

- I can tell time on an analog clock to the nearest 5 minutes and to the nearest minute.
- I can use a line plot and a table to organize data.
- I can show amounts of money using combinations of quarters, dimes, and nickels.
- I can tell, write, and solve number stories.
- I can add and subtract multiples of 10 using base-10 blocks.
- I can solve comparison number stories.
- I can read nonfiction texts and learn what the author wants me to know.
- I can identify the following of earth's biomes and name three animals that call it home: ocean, forest, fresh water, tundra, rainforest, desert, and prairie.
- I can state my likes and dislikes and tell why in my writing.

A Note From Ms. Boyd

I can't believe how quickly our year together is coming to an end! It seems like just yesterday we were getting to know each other and learn our classroom procedures and now it's the middle of May! Here are a few upcoming events wanted you to be aware of:

- Wed., May 28th 9:00 a.m. Dippy Dog Water Safety Program
- Fri., May 30th 9:00 a.m. Stranger Danger Presentation
- Fri., May 30th 1:00 p.m. First Grade Zoo (We present our research at this time.)
- Mon., June 2nd 9:15 a.m. **or** 10:00 a.m. First Grade Zoo (I will let you know which time our class will present our research ASAP)
- Tues., June 3rd 9:00-11:00 a.m. Walking Field Trip to Dillon Park (Weather permitting)
